---

### Biography

I am focusing on studying atmospheric aerosols, clouds, particulate matter, and trace gases using remote sensing, big data, and artificial intelligence. Up to now, I have authored over **50** SCI papers as first or corresponding authors in leading journals such as *RSE*, *ES&T*, *ACP*, *JGR*, and *TGRS*, in which **6** papers have been selected as ESI Hot (Top < 0.1%) papers, **11** papers have been selected as ESI Highly Cited (Top < 1%) papers, and **6** papers have been cited more than 100 times. My total citations are more than **3000** times (Google) with an H-index of **30**. I was the winner of the AGU James R. Holton Award (2022) and selected to Stanford University List of World's Top 2% Scientists (2020). I was an Editor of *Earth System Science Data*. I have generated the high-resolution and high-quality datasets of ground-level air pollutants in China (i.e., CHAP), which have been widely used.

### Work Experience

Faculty Research Associate, University of Maryland at College Park, USA, 2022–Present.

Postdoctoral Fellow, University of Iowa, USA, 2021–2022.

Research Assistant, Tsinghua University, China, 2017–2018.

Research Assistant, Chinese University of Hong Kong, Hong Kong, China, 2017.

### Education

Joint Ph.D. University of Maryland at College Park, USA, 2020.

Ph.D. Beijing Normal University, China, 2020.

M.Sc. Shandong University of Science and Technology, China, 2017.

B.Sc. Shandong University of Science and Technology, China, 2014.

### Selected Peer-Reviewed Publications (Full list at: <https://weijing-rs.github.io/publication.html>) [Citations]

## Awards, Recognitions, and Fellowships

- AGU James R. Holton Award (2022)
- World's Top 2% Scientists (2022)
- AOGS2022 Top Conveners (2022)
- Zhou Tingru Geography Scholarship (2021)
- Gao Tingyao Environmental Protection Outstanding Youth Award (2020)
- Li Xiaowen Remote Sensing Science Youth Award (2019)
- ESI Hot Paper, *Remote Sensing of Environment* (2022/2021/2019)
- ESI Hot Paper, *Atmospheric Chemistry and Physics* (2020)
- ESI Hot Paper, *Environmental Science & Technology* (2019)
- ESI Hot Paper, *Atmospheric Environment* (2019)
- ESI Highly Cited Paper, *Remote Sensing of Environment* (2022/2019)
- ESI Highly Cited Paper, *Journal of Cleaner Production* (2022)
- ESI Highly Cited Paper, *Atmospheric Chemistry and Physics* (2021/2020/2019)
- ESI Highly Cited Paper, *Environment International* (2021)
- ESI Highly Cited Paper, *Science of the Total Environment* (2021)
- ESI Highly Cited Paper, *Environmental Science & Technology* (2019)
- ESI Highly Cited Paper, *Atmospheric Environment* (2019)
- ESI Highly Cited Paper, *Atmospheric Environment* (2018)
- ESI Highly Cited Paper, *Remote Sensing* (2018)
- Most Cited Articles (since 2018), *Remote Sensing of Environment* (2021)
- Most Cited Articles (since 2018), *Atmospheric Environment* (2022)
- 1st Most Cited/Published Author and Most Cited Paper in *Atmospheric Environment* (2019)
- Journal High Impact Paper, *Hypertension* (2021)
- Journal Highlight Article, *Atmospheric Chemistry and Physics* (2020)
- Journal Highlight Article, *Journal of Geophysical Research-Atmospheres* (2018)
